M(Trans)9 During my tenure in Siddapura taluk in the month of May this year there were serious complaints that people are getting lands disafforested to a large extent mainly to convert it into fertile paddy fields and sell them afterwards. Hence I feel only such areas which are necessary have to be disafforested

Sir,

Subject: Lands: Kanara.. Hosur, Taluka: Siddapur: grant of certain at,

In submitting herewith the papers of the case ending with endorsement No.FOR/SR/593 of 15-9-1961 from the Tahsildar of Siddapur, I have to state as under:-

In this case Shri G.N.Hegde, Doddamane had applied for grant of 4 acres of forest land out of S.No.23 A of Hosur for establishing a Saw Mill. The Divisional Forest Officer, E.D.had no objection to grant of the area but since the Chief Conservator had by then refused his request for a licence Shri Hegde's request was refused.

Shri Hegde has now approached this office for grant of the site since Government have in their order No.AFD-24-FDP 61 of 5-9-1961 approved the proposal to grant a Saw Mill licence to shri Hegde. He has also produced a copy of the order.

The land in this case is required for development of industry.The P.C. enclosed would indicate that there is no objection to the grant. The question of grant of the area to shri Hegde on disforestment may therefore, kindly be considered and sanction accorded for disforestment and grant on such special conditions as may be prescribed by the Forest Department Since the grant is beyond the competence of the Deputy Commissioner, the papers are submitted to Government.

Yours faithfully,

for Deputy Commissioner,Kanara.
